Key points

- A 'manual' of investing from the writer of the popular 'Internet Q&As' in *Investors Chronicle* magazine.
- Content is drawn from the most useful Q&As of the last 2 years, updated to take account of new web sites and changing technology.
- The book provides hundreds of practical tips, shortcuts, and recommendations - genuinely a book which pays for itself.
- Well known in the investing community as an indispensable resource and reference book.

Reviews

"I've just read a brilliant new book - Stephen Eckett on Online Investing. This book is written in a question and answer style and gives great answers on everything to do with online investing - it's a real gem. If you have any niggling questions about share investing, the book will probably have the answer. It is also very easy to read. Only about £11 and worth every penny."

Robbie Burns, writer of the weekly 'Trader' column in *The Times*.
